In the penultimate para of my Submission Note dated the 1st October 1926, I suggested that in addition to Public Service Medals, certificates signed by the Dewan or the Deputy Commissioner of the district concerned may be given in accordance with the character of the service rendered.

It is proposed to notify the grant of these certificates and in connection with the notification the First Member pointed out that it was not desirable to give any recognition to Mr.Suryanarayana Rao of the Tumkur taluk as his conduct as Vice-President was not satisfactory.
